

Product Safety Recall

Do you own this product?

Animo Dog Activity & Behaviour Monitor

Dates supplied: 22 June 2022 – 20 February 2025

Why the product is recalled: The product does not comply with [the mandatory standards for products containing button/coin batteries](#).

The button/coin batteries are not adequately secured and are accessible by young children.

The product does not include the required warning information.

Hazard: Risk of choking, severe internal burn injuries or death to young children if they gain access to the button/coin batteries and swallow them or place them inside their body.

Severe or fatal injuries can happen in 2 hours or less. Consumers may be unaware that the product contains button batteries.

1. Stop using the product immediately and keep it out of reach of children.
2. Contact MSD Animal Health (AnimorecallAU@msd.com) or the place of purchase to return the recalled product and arrange for a refund.
3. Consumers who received their product as a promotional gift free of charge should contact MSD Animal Health to return the product and receive a free gift in return. Each customer will be sent an Australia Post pre-paid returns satchel to the address they have provided, with a product return instruction letter telling them how to safely return the product to MSD Animal Health.

To find out more about the recall, contact MSD Animal Health at: AnimorecallAU@msd.com.
